The Working Mechanism on the List of unreliable Entities announced the inclusion of 11 US companies including Skydio Inc. in the list of unreliable entities

[Issuer] Bureau of Safety and Control

[Release number] Announcement on the Working Mechanism of the Unreliable Entity List (2025) No. 7

[Publication Date] April 4, 2025

Unreliable Entity List Working Mechanism
Public Announcement
Number 7 in 2025

In order to safeguard China's sovereignty, security and development interests, in accordance with the Foreign Trade Law of the People's Republic of China, the National Security Law of the People's Republic of China, the Anti-Foreign Sanctions Law of the People's Republic of China and other relevant laws, based on the relevant provisions of Articles 2, 8 and 10 of the Provisions on the Unreliable Entity List Regulations, the working mechanism of the Unreliable Entity List has decided to add 11 entities, including Skydio Inc., to the list of unreliable entities and take the following measures:

- (1) Prohibit the above enterprises from engaging in import and export activities related to China.
- (2) The above enterprises are prohibited from making new investments in China.

Matters not covered in this announcement shall be subject to the provisions under then the Unreliable Entity List Regulations.

This announcement shall come into effect as of the date of publication.

Annex: 11 U.S. entities on the Unreliable Entities List
