mJams made announcement on 24th July 2015, Yangon, Myanmar that it will release a licensed global music app into the market, giving Myanmar mobile users access to global content legally. Coming just a week off the very successful launch in Cambodia mJams is set to launch in Myanmar. mJams, just days old has become Cambodia's number one music streaming application, with over 12,000 stalls across 4 days.

mJams Director & Founder David van Herwaarde, says "The partnership with Universal, Warner and Sony Music & mJams gives our application a significant amount of international content across a number of diverse delivery channels" including: Streaming Application, CRBT – (Caller Ring Back Tones), Full Song Downloads, Ringtones, Digital video, IVR and Full unrestricted access to all music catalogues. Bringing global music brand's Universal, Warner and Sony to our subscribers and telecommunication partners is a major milestone for the mJams music portal, WAP storefront and mJams streaming Application with in App purchasing power said Mr. van Herwaarde, both for the business to business & business to consumer markets.

mJams Pte Ltd is part of an International Group working with 11 telecommunication carriers in 22 countries maximising content opportunities with over 40 million subscribers.
